ARBORETUM ON WHEELS

Check out the Arboretum on Wheels for a fun day at the Joyce Park Nature Center! Arboretum on Wheels is a mobile education unit that brings interactive and fun learning directly to you. With all sorts of biological specimens and fun activities, we have so much to show off! Join us for lessons that include tree specimens, preserved insects and the bones and furs of some of our native animals! Sign up now as only 50 spaces are available!

June 18th from 9am - 11am
